**CONSTRUCTION UPDATE  
SOUTHERN INTERCEPTOR, PHASE 1 & WATERVIEW BUSINESS PARK UTILITIES  
IN WILLMAR  
MINOR TRAFFIC DELAYS**

According to officials for the City of Willmar, a sanitary sewer and water main project will start on Tuesday, November 14th on 19th Avenue SE from east of Kandiyohi Entertainment Center to west of 9th St. SE in Willmar.

The project calls for the installation of sanitary sewer and watermain utilities along the future 5th St. SE. and crossing 19th Ave. SE. This small section of 19th Ave. SE will be closed to traffic. This traffic control will be in place Tuesday, November 14th through Friday, November 17th.

The prime contractor for the project is S.J. Louis Construction of Waite Park, Minnesota.
